

Grade Three School Supplies  
Langley Fine Arts School

This year we are not ordering supply kits to encourage reusing supplies that are still in good condition from last year. Please stick to the list provided and buy only those items. It is very important to buy the name brands requested, so no Dollar Store items please. Some items may be more expensive, but the quality of the product makes working easier for your child and there will be no comparisons between children. We suggest that you do not leave shopping until the last minute to get what you need.

Please clearly label ONLY the following for the first day of school: pencil box, pencil sharpener, pencils, pencil crayons, crayons, and gluesticks. The rest will be done at school.

As well, please send a cheque for \_\$33.00\_\_\_\_\_ on the first day of school to cover the cost of agenda, sketch book, communal classroom items, dictionary and emergency fee. *Optional: If you wish your child to receive a yearbook at the end of the year, include an extra \$15.00 to your fees.*
