

## PAC NEWSLETTER

Message from the LFAS President:

The end of the school year is just a few short weeks from now, which is hard to believe given the weather. The PAC has just a few items to do before the end of the school year. The first one coming up is the Staff Appreciation Lunch on Wednesday, June 1<sup>st</sup>. We are asking parents to donate desserts for the lunch. If you are interested in donating a dessert please contact me at [sherril@gilmour.ca](mailto:sherril@gilmour.ca). The desserts would need to be dropped off at the school office in the morning on Wednesday.

June 1<sup>st</sup> in the evening we will be holding our annual general meeting (AGM). This meeting we will be voting on how we should spend the \$18,000 + of gaming money. We encourage you to come out to this meeting and have a say as to how we spend the B.C. government's money. It will probably be the only time you will have a say in how government money is spent.

The Spring Carnival was a successful event raising almost \$5,000. The best part of the carnival for me was not just the money raised but the spirit built within the school community. I was stopped numerous times in the hallway by parents who expressed how pleased they were with the event. All the money raised from that and other fundraising activities goes directly back into the school in many various ways. The PAC has had a successful year fundraising and collectively raised approximately \$12,500.

I have learned over the past few months that if you want you and your child's experience at school to be a good one, you need to get involved. To that end we will also be voting in the new executive for next year. Come to the PAC meeting, take a seat on the executive and have a say in what happens at your child's school and your child's education.

Thank you,

Sherril Gilmour
